In the event that the insured motor vehicle is in an accident with another vehicle insured under a motor vehicle accident victims protection policy, the conditions on advance payment of medical treatment expenses, compensation, daily allowance, and funeral expenses set out in the insurance policy shall apply. However, if the insurance period of the motor vehicle accident victims protection policy of the other vehicle commences before 1 April 2016, the company will make advance payment for the victims who are in or on the motor vehicle or getting on or off the motor vehicle, as follows:

- 1 medical treatment expenses as specified in the receipt, not exceeding Baht 50,000 per person for injury;
- 2 compensation or funeral expenses of Baht 200,000 per person for death, loss of organs, or permanent disability;
- 3 daily allowance for hospital inpatient stays, in the amount of Baht 200 per day, not exceeding 20 days;
- 4 clauses 1, 2, and 3, shall not exceed Baht 204,000 in total

For victims outside of the vehicle, the company and the insured will jointly make advance payment for the medical treatment expenses, compensation, daily allowance, and funeral expenses in equal shares.

If it is found that the accident is caused by negligence of the driver or the passenger of the motor vehicle insured by the company, the company agrees to pay additional funeral expenses, or compensation for loss of organs or permanent disability up to the maximum coverage under the coverage conditions of the insurance policy.

Remark: With respect to the company's right of recourse or duty to pay medical treatment expenses, compensation, daily allowance, and funeral expenses to the insurance company of the other vehicle, the conditions for advance payment of medical treatment expenses, compensation, daily allowance, and funeral expenses set out in the insurance policy shall apply, *mutatis mutandis*.
